2. Payment Security

All payment transactions on ShopEasy are secured using industry-standard protocols:

- 256-bit SSL encryption for all payment data transmission.
- PCI-DSS compliant payment processing.
- Two-factor authentication (2FA) via OTP for card and net banking payments.
- ShopEasy never stores full card numbers on its servers.
- Tokenisation is used for saved payment methods as per RBI guidelines.

3. EMI Options

EMI is available on purchases above ₹3,000 for eligible credit and debit cards. No-cost EMI is available on select products where the interest amount is discounted upfront by the seller or ShopEasy. EMI tenure options range from 3 to 24 months depending on the bank and card type.

4. ShopEasy Pay Later

ShopEasy Pay Later allows eligible customers to purchase now and pay later with flexible repayment options:

- Instant credit limit up to ■60,000 based on creditworthiness.
- Pay next month or in 3/6/9/12 monthly instalments.
- Zero interest for next-month repayment.
- Managed through the ShopEasy app under 'ShopEasy Pay Later' section.
- Late payment fees apply if repayment is not made by the due date.

5. Pricing Policy

Prices on ShopEasy are set by sellers and may change at any time. The price charged is the price displayed at the time of order placement. ShopEasy participates in price matching on select products. All prices are inclusive of applicable GST unless stated otherwise.

6. Price Errors

In the event of a pricing error, ShopEasy reserves the right to cancel the order and issue a full refund. Customers will be notified via email within 24 hours of order cancellation due to a pricing error.

7. Coupons, Vouchers & Offers

Promotional codes and coupons can be applied at checkout. Key rules include:

- Only one coupon code can be applied per order unless stated otherwise.
- Coupons cannot be combined with Lightning Deals or other exclusive offers.
- Vouchers are non-transferable and non-refundable.
- Bank offer discounts apply only to eligible cards and may have maximum discount caps.
- Cashback offers are credited to ShopEasy Pay balance within 3–7 business days.

8. Failed Payments

If a payment fails but the amount is debited from your account, it will be automatically reversed within 5–7 business days by your bank. ShopEasy does not hold failed payment amounts. Contact your bank if the reversal does not appear within 7 business days.

9. GST & Tax Invoices

GST invoices are available for all orders. Business customers can provide their GSTIN at checkout to receive a business invoice. Tax invoices can be downloaded from the 'Returns & Orders' section under 'Invoice'.
